MEMORANDUM FOR THE RECORD

SUBJECT: Alleged Damage Done to Chinese Ships by U.S. Forces

Acting on Dr. Kissinger's instructions, I called Mrs. Shih Yen-hua at the Chinese UN Mission in New York, at 2:20 PM today. I was told that she would be available at 3:00 PM or after.

I called again at 3:15 PM and gave her the following message:

My boss asked me to call her to get a message to her boss which we would appreciate his transmitting to his Government concerning the Peking announcement that damage had been done to Chinese ships. The United States was making an investigation of these incidents and would give the PRC a formal response through our embassy in Paris when this investigation was completed. In the meantime, we wanted them to know that if there was damage caused to Chinese ships by U.S. forces, we would of course apologize and we would pay compensation.

I then ran over this message again to make sure that she fully understood. We then said goodbye and hung up.
